SMARTCELL™ SHELVING

Adjustable | Customizable | Efficient

Features & Benefits

Features

■ **Fine mesh wire baskets** come in various sizes and are suitable for mounting on louvered panels or cantilever pedestal frames.

■ **Adjustable dividers** provide endless variations to storage space and also create opportunities to implement lean inventory management practices, such as Kanban and PAR level systems.

■ **All baskets are plated in hospital-grade chrome** and the framework is finished with industrial strength powder coat to enhance the durability and longevity of the system.

■ **Bottom dust shelf/cover** provides a barrier and protection to bottom basket contents, maintaining Joint Commission standards.

■ **Wide variety** of accessories available to customize the system to your application. (see below)
